CIC RETAINS KOYA PARTNERS TO LEAD SEARCH FOR ITS NEXT PRESIDENT AND CEO

Current President Jack Markowski to Retire in May 2021

CHICAGO (January 12, 2021) – Community Investment Corporation (CIC) announced today that it has retained the services of Koya Partners, a leading executive search and strategic advising firm, to manage the search for its new President and CEO.

Current CIC President Jack Markowski previously announced in 2020 his intention to retire after successfully leading the organization for 13 years.

Koya Partners, a part of the Diversified Search Group, will assist with candidate identification, finalist selection, and onboarding of the new President. With a significant Chicago presence and strong national track record placing CEOs and other senior executives in the field of community development finance, Koya Partners is also known for its strong track record placing women and leaders of color in senior leadership positions.

“While CIC’s new President will have extremely big shoes to fill following Jack’s retirement, we are excited to embark on this process. This will prove to be an incredible opportunity for the new President to lead CIC into its next phase,” said David Dykstra, Chair of CIC’s Board of Directors.
